Lannoo Graphics

Good stationery, great school year.

For over 20 years, QC has stood for one simple idea: be proud of who you are, and let your colour do the talking. Colour is our heartbeat – it moves people, sparks a smile, and always shows up in the right shade at the right time. That same colourful thinking runs through everyday life, at school, in the office or at home: one colour, one subject, one clear mind.

QC HOLOGRAPHIC

Light, fancy and a little exuberant: QC Holographic pairs perfectly with QC Colour for endless mix & match.

Every QC product is made to a high quality standard, through a sustainable process. Every cardboard article is FSC certified.

100% Belgian design. Simply QC. Simply irresistible.
